Chicago, IL 60604

Dear Mr. Bradley:

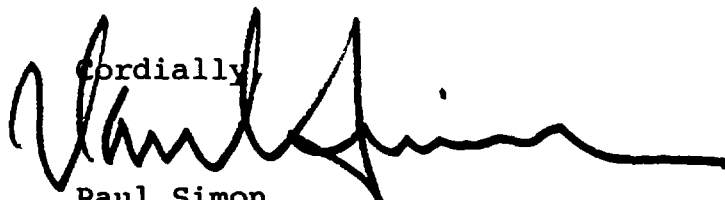

I have recently received a copy of comments sent to you by the Director of Public Works of the City of Granite City. He is addressing the remedial plan for NL/TARACORP in Granite City.

I would appreciate your providing my Springfield office with a report on the action your agency plans.

I look forward to hearing from you as soon as possible.

My best wishes.

Cordially,

Paul Simon
U.S. Senator
